

# INFORMS Sample Bibliography for the Author-Year Style References Format

Mirko Janc

INFORMS, 7240 Parkway Drive, Suite 310, Hanover, Maryland 21076, pubtech@informs.org

Sample references in the author-year style used in 10 out of 11 INFORMS journals are presented. This is a comprehensive sample to supplement instructions printed in INFORMS journals and published on journal websites. All references shown appeared in an issue of *Management Science*. They were grouped together and re-sorted.

*Key words:* INFORMS journals; reference style; author-year

## Introduction

This sample is intended to help authors of articles to be published in INFORMS journals prepare their .bib files in proper format, or, in case they do not use BiBTeX, to furnish a comprehensive sample of the author-year style references format.
