living in the last few days of earth’s history. As a matter of fact, because we are living at the end of time, God is now dealing with mankind according to the following information.

THE BIBLE’S CALENDAR OF HISTORY

The Lord has opened up His people’s understanding to the Biblical calendar” found on the pages of the Bible. The genealogies of the book of Genesis, primarily in chapters 5 and 11, can be shown to be the foundation of the history of mankind in this world. The Bible’s calendar of history is completely accurate and trustworthy. Since this Bible calendar is given by God in His Word, it can be trusted wholeheartedly. In this brief pamphlet, we will share some of the conclusions derived from the Biblical calendar and from other studies in the Scriptures. However, the amount of information available is far too abundant and complex for a brief pamphlet; but we can and will give precise and compelling dates. These dates can be trusted entirely because they come right out of the Bible. TIMING OF IMPORTANT EVENTS IN HISTORY

11,013 BC —Creation. God created the world and man (Adam and Eve).

4990 BC —The flood of Noah’s day. All perished in a worldwide flood. Only Noah, his wife, and his 3 sons and their wives survived in the ark (6023 years from creation).

7 BC —The year Jesus Christ was born (11,006 years from creation).

33 AD —The year Jesus Christ was crucified and the church age began (11,013 years from creation; 5023 calendar years from the flood).

1988 AD —This year ended the church age and began the great tribulation period of 23 years (13,005 years from creation).

1994 AD —On September 7th, the first 2300-day period of the great tribulation came to an end and the latter rain began, commencing God’s plan to save a great multitude of people outside of the churches (13,006 years from creation).

2011 AD —On May 21st, Judgment Day will begin and the rapture (the taking up into heaven of God’s elect people) will occur at the end of the 23-year great tribulation. On October 21st, the world will be destroyed by fire (7000 years from the flood; 13,023 years from creation).

ONE DAY IS AS 1000 YEARS

The child of God has learned from the Bible that the language is the language of Genesis 7 has a twofold meaning: For yet seven days, and I will cause it to rain upon the earth forty days and forty nights; and every living substance that I have made will I destroy from off the face of the earth. Genesis 7:4 Historically, as God spoke these words, there were seven days remaining for Noah, his family, and the animals to get into the safety of the ark; but spiritually, and (the Bible is a spiritual book), God was speaking to the world of the world and was declaring that sinful mankind would have 7000 years to find refuge in the salvation provided by Jesus Christ. How can we know that? We know this is so based on what we read in 2 Peter, chapter 3:

Whereby the world that then was, being overflowed with water, perished: But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men. But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day. Hebrews 11:7

The context of 2 Peter 3 is extremely important! In the first few verses, God refers us to the destruction of the world by the flood during Noah’s day. Then we find an interesting admonition that we might not be to “ignore” one thing, which is, 1 day is as 1000 years, and 1000 years is as 1 day. Immediately following this bit of information is a very vivid description of the end of the present world by fire. What could God be telling us by identifying 1 day along with 1000 years?

Since we recently have discovered the Biblical calendar of history on the pages of the Bible, we find that the flood of Noah’s day occurred on the day of the 17th month of the 2300-day period of 4990 BC. This date is completely accurate (for further information on the Biblical timeline of history, please go to: www.familyradio.com). It was in the year 4990 BC that God revealed to Noah that there would be yet 7 days until the flood of waters would be upon the earth. Now, if we substitute 1000 years for each of those 7 days, we get 7000 years. And what we project 7000 years from the future from 4990 BC, we find that it falls on the year 2011 AD.

4990 + 2011 = 7001

Note: When counting from an Old Testament date to a New Testament date, always subtract one year because there is no year zero, resulting in:

4990 + 2011 – 1 = 7000 years exactly. The year 2011 AD will be the 7000th year from the flood of Noah’s day. It is 23 years beyond the 23 years of time given to mankind to find grace in God’s sight. This means that the time to find refuge in Christ has grown extremely short. We are only a little ways off from the year 2011 AD!

It is not unusual that God’s people have been given insight into the timing of the end of the world. Actually, the Bible tells us the timing of the end of the world in May 21st, 2011. The year 2011 is the exact day that the great tribulation comes to its end, and this is also the last most likely landing spot for the 7000 years of Noah’s flood’s day. Keep in mind that God shut the door on the ark on the 17th day of the 2nd month of Noah’s calendar. We also find that May 21st, 2011 is the end of the great tribulation period. There is a strong relationship between the 23rd month and 17th day of Noah’s calendar and May 21st, 2011 of our Gregorian calendar. This relationship cannot be blindly seen until we discover that there is another calendar to consider, which is the Hebrew (or Biblical) calendar. May 21st, 2011 happens to be the 17th day of the 2nd month of the Hebrew calendar. By this, God is confirming to us that we have a very correct understanding regarding the 7000-year period of the great tribulation. We know that the year 2011 is the 7000th year from the flood. We also know that God will destroy this world in that year. But when in will this occur?

The answer is amazing. Let’s take another look at the flood account in the book of Genesis. In Genesis 6:18, the Lord revealed to Noah, in the second month, the seventeenth day of the month, the same day were all the fountains of the great deep broken up, and the windows of heaven were opened. In Genesis 7:11 FamilieRadio, God did bring the flood 7 days later, on the 17th day of the 2nd month of the calendar aligned with Noah’s lifespan. It was on this 17th day of the 2nd month that God shut the door on the ark, securing the safety of its occupants and also sealing the fate of everyone else in the world outside of the ark. They would all now certainly perish in that worldwide catastrophe.

And they that went in, went in male and female of all flesh, as God had commanded him: and the LORD shut him in. And the flood was forty days upon the earth: and the waters increased, and bare up the ark, and it was moved in the waters. Genesis 7:17,16 Earlier it was mentioned that the church age came to an end in the year 1988 AD. It so happens that the church age began on May 22nd, 2011. The year 7000 BC was the equivalent date to the day when God shut the door on Noah’s ark. Through this and much other Biblical information, we find that May 21st, 2011 will be Judgment Day! This is the day God shuts the door of salvation on the world.

In other words, in having the great tribulation period conclude on a day that identifies with the 17th day of the 2nd month of Noah’s calendar, God is without question confirming to us that this is the day He intends to shut forever the door of entry into heaven.

I shall go and in, and find pasture. John 10:9 The Bible is very clear that Christ is the only way into heaven. He is our only portal into the glorious kingdom of heaven:

Notice: there is no salvation in any other name under heaven given among men, whereby we must be saved:

Acts 4:12 Once the door (Jesus) is shut on Judgment Day, there is no more salvation possible on earth:

...These things saith he that is holy, he that is true, he that is the faithful and true, the king of kings, the Lord of lords:

Revelation 3:7 The Bible teaches that on May 21st, 2011, only true believers elected by God to receive salvation will be raptured (or taken up) out of the world to meet the Lord in the air and forever be with the Lord:

For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.” 1 Thessalonians 4:16,17
All the rest of mankind (billions of people) will be left behind to experience the awful judgment of God, a horrible period of 5 months of torment upon earth. And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. And it was commanded them that they should not hurt the grass of the earth, nor any tree; but only those men which have not the seal of God in their foreheads. And their torment was as the torment of a scorpion, when he striketh a man. Revelation 9:5

The End of the World: October 21st, 2011

By God's grace and tremendous mercy, He is giving us advanced warning as to what He is about to do. On Judgment Day, May 21st, 2011, this 5-month period of horrible torment will begin for all the inhabitants of the earth. It will be on May 21st that God will raise up all the dead that have ever died from their graves. Earthquakes will ravage the whole world as the earth will no longer conceal its dead (Isaiah 26:21). People who died as saved individuals will experience the resurrection of their bodies and immediately leave this world to forever be with the Lord. Those who died unsaved will be raised up as well, but only to have their lifeless bodies scattered about the face of the earth. Death will be everywhere.

The Lord also magnifies these awful 5 months of destruction in the final verse of Genesis chapter 7: And the waters prevailed upon the earth an hundred and fifty days. Genesis 7:24

Five months after May 21st, 2011 will be October 21st, 2011. It so happens that October 21st of 2011 is also the last day of the Biblical Feast of Tabernacles (held simultaneously with the Feast of Ingathering). Tabernacles is the 7th month of the Hebrew calendar. The way God speaks of this feast in the Bible is very significant: ...the feast of ingathering, which is in the end of the year, when thou hast gathered in thy labours out of the field. Exodus 23:16

And thou shalt observe the feast of weeks, of the first fruits of wheat harvest, and the feast of ingathering at the year’s end. Exodus 34:22

The Feast of Tabernacles / Ingathering was said to be in the “end of the year” even though it was observed in the Hebrew 7th month, which is not the end of the year. The reason for this is that the spiritual fulfillment of this particular feast is in the end of the world. On October 21st, 2011 will be the last day of the Feast of Tabernacles and also the last day of earth’s existence. The Bible describes what will take place on October 21st, 2011 in the following passage:

But the day of the Lord will come as a thief in the night; in which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. 2 Peter 3:10

Abered of 5 months of torment upon earth; all those who have sinned against God and were left behind will likewise be consumed by this fire and be eternally destroyed: In flaming fire taking vengeance on them that know not God: and it shall be laid bare that they are sinners. 2 Thessalonians 1:8,9

On October 21st, 2011, God will completely destroy this creation and all of the people who never experienced the salvation of Jesus Christ along with it. The awful punishment for their sinful rebellion against God will be completed by the end of October 21st, 2011. Of these poor people will cease to exist from that point forward. How sad that noble man, made in God’s image, will die like a beast and perish forever.

Nevertheless man being in honour abideth not: he is like the beasts that perish. Psalm 49:12

There is much more to share. But please, dear soul, be warned that the time for salvation is drawing to a rapid close! God has given the world 7000 years from the Flood, and now only a few days remain until we reach May 21st, 2011. Before we know it, time will have run completely out of the game. Man will die, in his prayers of desperation, and this old, tattered, old, tattered, and disgraced, will have been and be gone. All through the centuries, there is still wonderful hope for anyone today: (For he saith, I have heard thee in a time accepted, and in the day of salvation have I succoured thee; behold, now is the accepted time; behold, now is the day of salvation.) 2 Corinthians 6:2

It does not take God much time at all to save someone. In the last hours of a terribly sinful life, the thief on the cross was saved by Christ: And he said unto Jesus, Lord, remember me when thou comest into thy kingdom. And Jesus said unto him, Verily I say unto thee, To day shalt thou be with me in paradise. Luke 23:42,43

JUDGMENT DAY! MAY 21, 2011

The purpose of this tract is to inform you of the great urgency there now is in the world for each and every person to be reconciled to God. The Bible is the Word of God! Everything the Bible declares has the full authority of God. No one can change the Bible and be saved. The information is coming forth from the Bible which clearly reveals God’s plan for Judgment Day and the end of the world itself. The Bible has opened up its secrets concerning the timeline of history. This information was never previously known because God had closed up His Word blocking any attempt to gain knowledge of the end of the world. We read about this in the book of Daniel:

And he said, Go thy way, Daniel; for the words are closed up and sealed till the time of the end. Daniel 12:9

However, now in our present day, God has opened up His Word (the Bible) to reveal a great deal of truth concerning the end of time (and many other teachings). Also, in the same chapter of Daniel, it says:

But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased. Daniel 12:4

And now open up His Word because we have arrived at the time of the end. For this reason, it has become very obvious to the serious student of the Bible that we are now...
